

# *Think Pink*

October is Breast Cancer Awareness Month

Every 3 minutes a woman  
is diagnosed with breast cancer.

More than 4,600 Hoosier women will be diagnosed with  
breast cancer in 2006 and approximately 900 Hoosier  
women will die from the disease.

Mammograms save lives! Breast cancer is 98 percent  
survivable when detected early.

**We are  
proud to  
partner with the  
American  
Cancer Society  
in the fight  
against breast  
cancer!**
