Routine Siren Maintenance

Michigan City, IN (December 14, 2009) – The Michigan City Emergency Management Agency will be conducting short tests of the Michigan City outdoor warning sirens throughout the city on Tuesday December 15, 2009 as part of a routine maintenance schedule. The city has twelve (12) sirens located in Michigan City. The maintenance and testing will be rescheduled if inclement weather is present. During the tests a short burst of sound will be heard multiple times throughout the day. Please do not call local emergency departments or the 9-1-1 Center during the tests.
