PHASE I SNOW REMOVAL

Michigan City, IN -- Mayor Chuck Oberlie and James T. Elwell, Superintendent of Central Services, issued the following statement today:

Due to the projected snowfall on Thursday evening, the city will remain in a Phase I Snow Removal until further notice.

The Phase I Snow Removal Condition places a parking ban on both sides of all identified Snow Routes and on the north and west side of all other remaining city streets.

Mayor Oberlie stated, "Our street crews have been working through the night and will continue their plowing activities throughout the day."

Mayor Oberlie asks for the cooperation of all citizens so that roadways can be kept open for everyone's convenience and safety.
