Next Michigan Boulevard Public Meeting Set for November

Michigan City, IN – Michigan City Mayor Chuck Oberlie announced today that the next public meeting for the Michigan Boulevard Project has been scheduled for Wednesday evening, November 18, 2009, at 6:30 p.m. in the Council Chambers at City Hall.

“Although we have met our INDOT requirements for public review meetings, we desire to have another meeting to review the plans for Michigan Boulevard,” Mayor Oberlie said.

“Along with representatives from American Structurepoint to review the plans, we have invited officials from INDOT to speak directly to our community in terms of contractor qualification requirements, the overall bid process and the Disadvantaged Business Enterprise (DBE) goals for the project.”
