PARK FACILITY DISCOUNT POLICIES

2009 RENTAL DISCOUNT FOR NOT-FOR-PROFIT GROUPS

Approved by the Michigan City Park Board 11/20/08

Michigan City area Not-for-Profit groups, with proof of non-profit status, will be granted a fifty percent (50%) discount on the rental of the Michigan City Senior Center or Krueger Memorial Hall one time per calendar year (not one rental per facility). The discount does not apply to the Sunday Special rental fees at Memorial Hall or the Senior Center. If a group wants to use either hall on a Sunday, the discount will apply to the full day rental rate only.

A group representative must sign the facility use contract. A security deposit is required and will not be discounted.

Many City Departments request the use of our facilities for city business meetings and events. We would like to establish a written policy to cover these requests.

USE OF PARK DEPARTMENT FACILITIES BY CITY OF MICHIGAN CITY DEPARTMENT HEADS

Departments of the City of Michigan City may use park facilities when available at no charge for city related business only (no personal events). Requests must be submitted in writing to the Park Office by the Department Head at least thirty days prior to the rental date.
