RAVE Alert is highly recommended by Larry Butcher, Director and Jeff Wiatrowski, RAVE Program Manager, LaPorte County Emergency Management. They advise that it is a great way to be prepared in case of an emergency.

RAVE alert is private and secure, is only used for emergency responses and only made available to the 9-1-1 system in event of an emergency. If you have any questions or concerns, contact Jeff Wiatrowski at iwiatrowski@laporteco.in.gov or call 219-362-7210.

Information will be received on your cell phone, home phone, or email. They can also identify when and how they are alerted and communicated with before, during and after emergencies. Sign up today free at

Make A Plan

Make a plan today. Your family may not be together if a disaster strikes, so it is important to know which [types of disasters](#) could affect your area. Know how you'll contact one another and reconnect if separated. Establish a family meeting place that's familiar and easy to find. Develop your plan using <https://www.ready.gov/plan>
