

How It Works?

It sounds almost too simple to be true, but by reading regularly with your children during their preschool years, you are giving them the biggest boost toward a successful education they will ever get.

Dolly Parton's Imagination Library can help your child love to read just by having print books at home, reading yourself, and setting aside time daily for your children to read. Every child will have books of their very own, at no cost to you, thanks to **La Porte County Public Library**, and Dolly Parton. Each month a new, carefully selected book will be mailed in your child's name directly to your home.

Your child can look forward to new and exciting reading adventures from Dolly Parton's Imagination Library until they turn five years old as long as you live within a covered geographic area.

Dolly Parton's Imagination Library is a free gift to your child! All you have to do is read often to inspire a lifelong love of reading!
